### DESIGN GUIDELINES

Combine warm sepia tones with vibrant accents. Use display fonts in uppercase for maximum impact. Maintain high contrast for readability.

### COLOR COMBOS

Red + Gold + Black for dramatic posters

### 💡 Quick Tips:

- All fonts available free on Google Fonts
- Use one font pairing per design piece
- Display fonts: Min 32px web / 24pt print
- Body fonts: Min 16px web / 10pt print

### 🚫 Avoid:

- Using more than 3 colors per element
- Mixing all three font pairings together
- Display fonts for long paragraphs
- Pure white backgrounds (use warm off-whites)
